Agenda

CONSENT AGENDA

1. Voting Ballot for 2006 State of Maine Municipal Association Executive Committee and Officers

Each year, member communities of the Maine Municipal Association have an opportunity to vote for Association Officers and Executive Committee members. Although Bangor is not currently represented, we have had considerable past representation with Mary Sullivan, Mike Aube and John Rohman all serving on the MMA Executive Committee and Mary Sullivan serving as Vice President and President.

REGULAR AGENDA

2. Discussion Concerning Noise Related Issues and Potential Courses of Action at Club Gemini, 190 Harlow Street

At the last Council meeting, an Ordinance was passed enacting certain loitering restrictions in the (upper) Abbott Square Parking lot and the Atler Parking lot across from the Federal Building. Proposed loitering restrictions to the Haynes Court Parking lot (also referred to as Lower Abbott Square Parking lot) were not imposed, but rather the issue was referred back to the Government Operations Committee for further discussion and review. The owners of Club Gemini were asked to prepare a course of action to address various concerns and to develop a proposed timeline for implementation for the Committee's consideration.
